The demo featured gameplay from Moria, and included a fight against two trolls and the battle against the Balrog, as well as some footage from the film. You watched the movies. I obey the White Hand of Saruman. She then joins with him in an attempt to return to Lothlórien — through the treacherous paths of Moria — and warn the elves of the dangers upon the roads to the Grey Havens. They defeat the Nazgûl, and Aragorn is able to save Morwen's life.[49] He then tells the party the entire army is to march on the Black Gate to distract Sauron from Frodo's approach to Mount Doom. / Eoaden: You know, my friend, you could perhaps be his brother. In one final resistance, the Ring was cut from Sauron's hand. You conspired with these creatures. In the meantime, Bilbo had left the Shire to live in Rivendell, and upon the advice of Gandalf had (very reluctantly) given the Ring to his nephew, Frodo Baggins. The party realize that Berethor is that man.[42][43] He vows he will never flee again, and the party join Faramir in a fight against Gothmog. I burned both Ent and Huorn to forge my army's steel. / Witch-king: I come to claim you Gondorian. p. 7. Scene: Revelation of Morgul Possession. As soon as he put it on, the elves became aware of his ruse, removing and hiding their Three Rings, which Celebrimbor had forged without Sauron's aid. Our hopes travel with you, Morwen's village burned to the ground and her life destroyed, this beautiful warrior's only source is cold wrath. Some of you must have even dabbled in the Pen and Paper RPG's of the past. Soon thereafter, they find the bodies of Morwen's family, killed by wargs, before arriving at Helm's Deep. The Lady Galadriel spoke to Idril, who consented to protect you. As a Captain of the Citadel Guard, Berethor fought alongside Boromir during the earlier Battle for Osgiliath. pp. 9-10. He was struck down by the Uruk-hai of Saruman, who now roam freely in these lands. Scene: The Six Thousand. She was your guide while you walked in shadow. Most reviewers praised the graphics, but many found the storyline and character development weak, and the gameplay somewhat too derivative of Final Fantasy X. You fought here with Boromir in his final victory, and it is true that some fled the field in dishonor, escaping across Pelennor Fields to the safety of Minas Tirith, to the outrage of Denethor. You must do this or they will claim you. When you win freedom from Sauron's curse. Likewise, the enemies can increase their own speed and decrease the party's, again changing the order. And while I shall attempt to persuade Théoden otherwise, I suspect he will retreat to Helm's Deep for a final stand. Berethor: I have fought in this city before. As we withdraw up the levels, I provide what hope that I can. The men of Gondor are valiant, but they are outnumbered in the contest to come. Above the battle rages. The game is a loose adaptation of Peter Jackson's Lord of the Rings film trilogy: The Fellowship of the Ring (2001), The Two Towers (2002) and The Return of the King (2003). He shall be
